ADVOCATE

Speak out and champion the cause to improve your community through caring and action.

"Wise County covers approximately 923 square miles and is home to about 70,000 people. The Wise County Sheriff's Office personnel often encounter adults and children who are in dire need. Many of the helpful and local resources we rely upon to meet those needs are funded by our United Way of Wise County. Your charitable giving will help us all make Wise County a better place to live, work, worship and raise a family."

N. Lane Akin, Wise County Sheriff
